

## KING COUNTY

### APPLICATIONS DEVELOPER – SENIOR DEPARTMENT OF ASSESSMENTS

Annual Salary Range: \$63,395 – \$80,357

Job Announcement: 05JS5062

OPEN: 3/28/05      CLOSE: 4/8/05

**WHO MAY APPLY:** This position is open to the general public.

**WHERE TO APPLY:** Required forms and materials must be sent to **Administrator, King County Department of Assessments, 500 4th Ave, Room 704, Seattle, WA 98104**. Email submittals are encouraged at [joni.shirer@metrokc.gov](mailto:joni.shirer@metrokc.gov) (all application materials must be included). Application materials must be received by 4:30 p.m. on the closing date. [Postmarks are NOT ACCEPTED.]

**PLEASE NOTE:** Applications not received at the location specified above may not be processed. Contact Joni Shirer at [206] 296-5199 for other inquiries.

**FORMS AND MATERIALS REQUIRED:** A King County application form, resume, letter of interest detailing your background and describing how you meet or exceed the requirements and a completed skills inventory, are required for this position. Application materials can be downloaded from the internet at <http://www.metrokc.gov/ohrm/jobs/JobApplications.htm>.

**WORK LOCATION:** 500 4<sup>th</sup> Avenue, Room 808, Seattle, WA

**WORK SCHEDULE:** This position is exempt from the provisions of the Fair Labor Standards Act, and is not overtime eligible. This is a 40-hour work week position.

**PRIMARY JOB FUNCTIONS:** This is a senior level Career Service position that reports directly to the Information Services Division Director. Persons occupying the Senior Applications Developer position are responsible primarily for developing complex Visual Basic applications in support of the Assessment process. This includes identifying and determining user requirements, designing, testing, documenting and implementing new applications.

- Design, test, document and implement database application programs in the Microsoft Visual Basic programming language with associated tools in a Windows XP based client/server environment with MS SQL Server 2000 as the backend.
- Plan, design and develop Visual Basic programs. Design, analyze and modify programs. Resolve system production problems, maintain or enhance existing programs.
- Coordinate; provide technical direction, and training to assigned project staff. Act as consultant to team members on software issues.
- Prepare project plans, monitor and report status.

**QUALIFICATIONS:** A BSCS or equivalent and 2 years Visual Basic programming experience and two years programming experience with a relational database preferably SQL Server. Additional relevant work experience may substitute for educational requirements.

**CLASS CODE: 732030**

KING COUNTY IS AN EQUAL OPPORTUNITY EMPLOYER. JOB ANNOUNCEMENTS ARE AVAILABLE IN ALTERNATIVE FORMATS FOR PERSONS WITH DISABILITIES.
